My wife and I used Craft Event for our wedding at Canyon Run Ranch. I'm not sure what we would've done without Sara, as she was monumental in orchestrating everything on our big day.

I can't thank you enough for all the work you put in to help make our wedding one of the most special days of our lives. Everything you did from the calls to vendors beforehand, to helping me navigate last minute changes the day of, to handling all the things I didn't see was immensely appreciated. You helped make the day go so smoothly.
